

Appendix

Dataset Files

The original sources of the datasets used in the examples and exercises are listed in the book's references. For convenience, I have also compiled all the datasets in a central location, available in my book's GitHub repository:

<https://github.com/zliu-semo/Data-Analytics-Using-Python/tree/main>

PowerPoint Slides

PowerPoint slides for each chapter are available for download from my book's GitHub repository:

<https://github.com/zliu-semo/Data-Analytics-Using-Python/tree/main>

Lecture Video Recordings

Video recordings of each chapter's lecture are available to watch on my book's YouTube channel: <https://www.youtube.com/playlist?list=PLuuDKaqSuskeuaUz4sPv1pSVVSWIZoWNG>

My youtube video lecture channel:

<https://www.youtube.com/@cscourses3689> or
